Dear Mr. Gibson:

Enclosed please find thirteen Government property cards for property acquired by Halliburton Energy Services in support of the Solarponds/Pondcrete/Saltcrete Waste Processing Subcontract. These cards are for process train components, accessories, and spare parts.

Because our supply of blank cards has not been replenished, the enclosed cards are locally created reproductions of the D. O. E. Form RF46589.

If you should require any further assistance or have any questions, please contact me at (303) 940-2445.

Sincerely,
